Characters & Story

Super-sweet, super-innocent Rito, along with Planet Deviluke's Princess Lala--the girl whose beauty is the pride of the cosmos--and Rito's classmate Haruna, are woven together throughout this cute, teensy-bit naughty, slapstick romantic comedy!!

Zastin

Commander of the Deviluke Royal Guard. A man who is said to be Planet Deviluke's most powerful warrior, but in reality...

King of Deviluke

The king of Planet Devliuke. Has no qualms about utterly annihilating the worlds of those who disappoint him. So far, only his voice has appeared. This ever-growing, ever-more-horrifying visage is merely the product of Rito's imagination.

Lala Satalin Deviluke

The first princess of Planet Deviluke, seat of power for the entire Milky Way Galaxy. She rejected the suitors her father selected and ran away from home to Earth. However, after truly falling for Rito, whom she met in a chance encounter, they started living together!

Peke

A Universal Costume Robot, built by Lala. He can transform into a variety of shapes, taking the form of a dress, a uniform, and more.

A first-year student in high school. As it turns out, a sudden bath-time encounter with Lala after she warped away from her ship has led to them living together! A late-bloomer in matters of love, he was in the middle of trying to confess his feelings for Haruna, the girl he'd been crushing on since middle school. But in the heat of the moment, he accidentally confessed to Lala, who had appeared between them, and ended up becoming her fiancé.

Sairenj Haruna

A girl who has been in the same class as Rito since middle school and secretly likes him?! She is a quiet, mild-mannered, prim-and-proper beauty. However she does hide a certain quirk...!

Yuuki Rito

Yuuji
Mikan

Rito's little sister. Rather than taking issue with the whole "Lala is an alien" thing, she welcomes her into their home with open arms. Mikan had to grow up fast, and is quite a stable, level-headed person.

Character File

1 Yuuki Mikan

Let's see... Starting with this volume, we're going to write some introductions for the side characters. Or maybe you could call them "backstories." These will appear in every volume, like this one.

The decision to do so came about kind of like this:

Yabuki: Could you *pleeease* write a chapter about Mikan? She's on the cover of Volume 3!

Hasemi: Say what?! SHE IS?!

So, let's start the first of these off with Rito's little sister, Mikan.

She was among the earliest characters we conceived of. We thought, "Well, we don't have a little sister character!" and so, she was born. Because of that, thinking her up and creating her wasn't the difficult part. Instead it was crafting the character's personality that caused a lot of suffering... Or rather, what caused the most confusion was the question of how she would refer to Rito. "Oniichan" kept popping into my head, right up until the end. Ultimately, we landed on just having her call him "Rito," though... (*ha ha*).

Beyond that, what we were most mindful of was to give her an impish but irresistible charm--and to make her cute! We are always conscious of that as we write her.

Even though she's quite steadfast, at her core, she's still an elementary school student. She wants to enjoy herself and mess with Rito... That's kind of her vibe. And even as the story proceeds, and she slowly starts to get an inkling of who Rito's dream girl is, she still doesn't have any qualms about teasing him over it. That's first and foremost how we depict her.

★ Mikan's Main Story

I've actually invented and abandoned a number of stories for Mikan. I've learned a few things from my attempts to write about her. If I advance the story from her perspective, no matter what I do, Lala and Haruna end up getting left behind. And there ends up being not much interaction with other characters, so the scope of the story becomes narrower than usual. So, I don't really know when I'll write a story using her, but when the *AHA!* moment comes, I'll be sure to do it justice, so please take a long-term view on this one! (Man, I'd really like to create some friends for Mikan, too...)

So, we'll write comments like this for the girl on the cover of the next volume, too. Guess it would've been nice if we'd done that from the start, huh...? (regretful laugh)

To Love Ru Gaiden: Galaxy Legend ☆ Zastin –Chapter 3–

PRESENTED BY SAKI HASEMI

Zastin and his three subordinates were in the living room of Studio Saibai, enjoying a break just after sending their most recent work to the presses. Buwatts was speaking to Maul, who had a cup of green tea in his hand.

“Sure, Saibai-sensei has so much energy... But I just can’t take any more...”

“Don’t complain like that. It’s thanks to Saibai-sensei that we’ve gotten so much better at drawing!”

“I’ve...got a bunch of calluses on my hands, now...”

Hearing those words, Zastin closely examined his own hands.

“Commander Zastin!”

“Hm? What is it, Buwatts?”

“What is this thing...?”

Adorning the living room bookshelf was a doll, which he picked up.

“Hmm... Some kind of little girl’s toy, it seems.”

“Oh!”

With a terrible expression, Maul cried out, clearly trying to snatch the doll away.

“Whooa!”

The suddenness of the movement set Zastin’s heart racing.

As he pinned his right hand to his chest, he asked.

“Wh-what is it, Maul?”

“THIS IS A LIMITED-EDITION MAGAZINE-ONLY FIGURE FROM THE POPULAR TOKUSATSU SHOW MAGICAL KYOUKO! WHY WOULD IT BE IN A PLACE LIKE THIS!?”

“Limited...edition?”

“Yes, the production company was the popular ‘TAO,’ and it’s a limited-run Gouda Kunio. Maaan, it’s incredible!”

“I see. I don’t really get it, but you’re certainly quite knowledgeable on this subject...”

Buwatts begins to whisper in the now-impressed Zastin’s ear. “Commander... Recently, it appears that Maul has become obsessed with Earth culture. He consumes huge amounts of anime and manga, and it seems he’s eager to propagate it when we return to Deviluke...”

“What?! That’s wonderful, though! Cultural exchange with other worlds... (Yup!) Maul has certainly grown...”

“Wheee! SO CUUUTE!”

However, looking at Maul, delighted and off in his own little world, made Buwatts worry.

“Um... It seems that it’s a very limited slice of Earth’s culture that he’s looking to spread, though...”

Meanwhile, on a spaceship headed to Earth, chasing Zastin...

“Wait! What is this place?”

“Who knows... Where, indeed?”

“Commander Zastin... We’ll be there to see you soon...”

(They were totally lost.)

To be continued...

READING DIRECTIONS

This book reads from **right to left**, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Where the Sun Don't Shine

The summertime hijinks continue with a trip to the beach! Rito gets an eyeful of Lala and Haruna in their swimsuits and the boys try to sneak into the girls' rooms. Meanwhile, Lala's enthusiastic feelings for Rito brew a storm of uncertainty in his heart.
